With my degree in business administration, owning my own business in Lake Havasu, being involved in new construction projects, being a resident for over 30 years, and my desire to give back to my community, I feel that I would be a great asset to the Planning and Zoning Commission. I have also had the opportunity to travel to over 50 countries and 40 U.S. states during my lifetime, and I have had the privilege to see many different ways cities have grown and developed. Factoring that in with my desire to make Lake Havasu the best city in this country, I feel that I can provide great feedback to the commission and to the city.

Why do you want to serve on the Board/Commission/Committee you are applying for?

The reason I decided to come back after graduating from the University of Arizona with a degree in Business was because I wanted to come back to the community that made me who I am today. I wanted to come back and help make it the best community it could possibly be. I want nothing more than to see Lake Havasu grow and develop into the great city I know we all envision it to be. If I can, in some way, help make that happen, I would be so grateful. And although we have done many great things in development so far, I believe we can always do more. I hope that the city of Lake Havasu and the Commission can provide me the opportunity to be an alternate, and allow me the privilege of giving back to the community who provided me with so many great opportunities.
