Civic/Community Activities (include civic clubs, volunteer activities, service organizations, etc.)

I am currently a volunteer for The City as the guy who maintains and runs The City's television station (LHCAZ-TV4). I have been doing this for approximately 6 years.

Why do you want to serve on the Board/Commission/Committee you applied for?

While maintaining The City's television I've had the opportunity to record several meetings each month for broadcast. This particular committee has become one of my favorites to produce. I've learned quite a bit about the airport's operations and have discussed several agenda items, events, etc. with the board members. Frankly, I've become very good friends with them all and that includes the Airport Manager and his Executive Assistant. I know nothing about flying an airplane or even how one works!

List any additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board/Commission/Committee?

5 years - President of Lake Havasu's Symphonic Winds (couldn't play a musical instrument to save my life).
Throughout my career with Pacific Bell, I have served on many committees, project teams, Western Electric (Lucent) observations, and many more to numerous to mention!
