I have an AA and BA degree in Business Management with 37 years corporate business experience as a Human Resource Executive. I was a Lifetime Certified Senior Practitioner of HR (SPHR) through SHRM which covers various budgets, plans and organization developments.  
I served for 4 years on the Indio, CA Planning and Zoning Commission with my last year on this commission serving as their Chair.  
I have served as President and Vice-President of a \$23 million dollar a year budget HOA in California. In this capacity we had to deal with building, roads, infrastructure, etc.

Why do you want to serve on the Board/Commission/Committee you are applying for?

I have found, over the 7 years I have served as a Planning and Zoning Commissioner, I enjoy reviewing plans, looking at what residents want their city to look like (through the General Plan) and being a part of helping those goals come to fruition. It isn't always easy to address the developers concerns with the residents of our city but I enjoy the challenge of working toward the goal of a good solution for both.
