

Dear Mayor and Council Members,

I am interested in continuing to be a member of the Lake Havasu Planning and Zoning Board, and ask that you consider me for one of the open, permanent positions. If another candidate is chosen, I would like consideration to be re-appointed to the alternate position that expires in July 2015.

Prior to my year of service as an alternate member of the Board, my participation in the community since 2002 has been to volunteer for activities in the area. A passion for education led me to volunteer for fund raisers to bring Arizona State University campus to Lake Havasu City. Winter Fest and boating events in Lake Havasu and Needles are other areas that I volunteer and assist in creating goodwill that our area depends on for tourism.

Lake Havasu City is my home. I attended junior high and high school here. I would like to volunteer my time, skills and talents to assist in planning the future of our desert oasis. With my current employer, the Fort Mojave Indian Tribe, I am able to see how our Native American citizens are expanding and growing. At present, I work for the Tribe's farm. This position allows me to become more knowledgeable about water issues facing our state, county and city governments. By attending Mohave County general plan meetings, I have been able to expand my knowledge of pressing issues.

I continue to remain open to new ideas and implementing innovative economic changes. As our community faces managing growth, improving our infrastructure and further developing our local economy, I will continue to become more experienced and educated on how to achieve these goals.

I respectfully request your support in being appointed to a permanent position or re-appointed to alternate position on the Lake Havasu City Planning and Zoning Board.

Thank you for your consideration.

Sincerely,

Christy Cunningham
