Location Requested to be Named or Renamed:

Alleyway or road is between Sweetwater Drive and Regency Drive off South Acoma Boulevard. It is .8 miles long. Actually starts at Sweetwater by the new Western Arizona Humane Society building (old BLM). Road crosses Regency Drive, Sturgeon, Claremont, & Powell. It reenters Sweetwater by Calvary Baptist Church.

Reasons/Justification for Naming/Renaming the Street or Alleyway:

Many people use this road to access the Haven Health Assisted Living Complex. Others use it to drive to storage units. On the average my wife and I help 2 people a week find the road. With it having no name they drive in circles around our street (Regency Drive) and Sweetwater.

Putting a name on the alley will help folks greatly.

We would like to see it named: "BALLARD WAY" after the late John Ballard. John was a behind the scenes civic leader. He was a leader in the London Bridge Lions Club. He was also instrumental in helping get the Balloon Fest off the ground.
