RE: Redi Mix Concrete Products, Concrete Block & Aggregate Materials ITB  
No.B15-OP-1 & ITB No. B15-OP-2 – REQUEST TO EXTEND

Dear Campbell Redi Mix:

As specified in the Instructions or Specifications for the above referenced ITB, the annual contract may be renewed at the expiration of its term by mutual agreement of both parties.

Please be advised that Lake Havasu City is interested in extending the annual contract for redi mix concrete products, concrete block, and aggregate materials for one year, to be renewed on July 1, 2015 through June 30, 2016. This extension would be the first of two possible renewal periods should both parties agree. The contract we propose to renew includes redi mix concrete products, concrete block, and aggregate materials per specifications outlined on the ITB No. B15-OP-1 and ITB No. B15-OP-2 submitted in April 2014.

Please respond via email or fax whether you accept or decline this offer to renew the current contract. Should you decide to accept renewal, please indicate in your email/fax acceptance if the contract will remain at the current bid price. We received your notification of price increases so please include the new prices with your response.

Sincerely,

Jennifer Slettebo  
Administrative Specialist II

Enclosure: ITB No. B15-OP-1 and ITB No. B15-OP-2
