Year

2021

Grand Canyon University

Masters in Business Administration (MBA)

2023

*\*\* A resume may be attached to show additional education and work experience.*

Describe your involvement in the community (Include civic clubs, volunteer activities, service organization, etc.)

As the Sr. Director of Operations at [REDACTED] I oversee a variety of programs that prioritize community inclusion and meaningful employment for adults with disabilities. Through our DTA/GSE programs, we focus on local businesses and community partners to create opportunities that empower individuals with special needs to participate fully in the life of our city. My commitment to community engagement has long been a part of my life. Prior to moving LHC, I spent five years working with the [REDACTED] in Phoenix, where I was heavily involved in initiatives to build inclusive communities for individuals with autism and their families. This included spearheading relationships with local stakeholders and supporting a variety of public events aimed at increasing awareness, access to resources, and community participation.

List additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board, Commission, Committee

I hold a B.S. in Healthcare Administration and an MBA, both of which have equipped me with a solid foundation in organizational leadership, strategic planning, and program development—skills that are directly applicable to serving effectively on an advisory board. During my tenure with the [REDACTED] I served as a Board Liaison, guiding new members through Board training and ensuring they were well-equipped to contribute meaningfully. In addition, I played a key role in launching [REDACTED] Self Advocate Advisory Board, a groundbreaking initiative that brought the voices of individuals with autism directly into the heart of the organization. This group provided valuable insight and feedback on programming, marketing, and research initiatives, ensuring the organization remained aligned with the needs and perspectives of those it aimed to serve. These experiences have given me a deeper understanding of the importance of inclusive, community-centered decision-making.

Why do you want to serve on the Board, Commission, Committee you are applying for?

Beyond my professional role at [REDACTED] I am a proud mother of four children who attend school in the LHUSD and are actively engaged in our community. My personal connection to the special needs community is further deepened by my 11-year-old son, for whom I continuously advocate to ensure that he—and others like him—have access to inclusive and enriching opportunities within our city. One of the key reasons I chose to relocate to Lake Havasu just over a year ago was the warm, welcoming sense of community I experienced. While the natural beauty of the lake and parks initially drew me in, it was truly the spirit of the community that solidified my decision to make Lake Havasu home. I am passionate about helping make Lake Havasu City a place where every resident, regardless of ability, feels welcomed, included, and valued. Serving on the Parks and Recreation Advisory Board would be a natural extension of both my professional mission and my personal commitment to this community.
