I continually promote healthy lifestyle activities such as mountain biking, running, paddle boarding, etc. to the community with positive encouragement. In the past I have also volunteered my time to Havasu Bike and Fitness under the previous ownership to assist with the growing popularity of mountain biking. While my daughter was attending elementary school, I also volunteered for school bake sales and assisted with Girl Scout events.

Why do you want to serve on the Board, Commission, Committee you are applying for?

During my time spent in the Lake Havasu City community since I moved with my family from Parker, Az. in 2008 I have always appreciated what the city has to offer. I have had first hand experience having my daughter go through some of the Parks and Recreation Department programs with great satisfaction. While being able to enjoy what the city has to offer through my own experience I believe that it is important that others have the same experience. I believe this is a unique opportunity to serve the Lake Havasu City residents and pay it forward by offering my volunteer services. Providing input within the Parks and Recreation Department would allow me to offer first hand experience in a Community that I enjoy and have been committed to.
