Please provide a descriptive summary of this grant (attach additional pages if necessary):

The purpose of this program is to expand substance use disorder (SUD) treatment and recovery support services in existing drug courts. Grant recipients will be required to implement a coordinated, multisystem approach that combines the legal authority of treatment drug courts with evidence-based SUD treatment services. Key stakeholders include the judiciary, prosecution, defense attorneys, probation services, law enforcement, mental health and SUD professionals, social service agencies, and health

care treatment providers. The objective is to disrupt the recurring pattern of criminal behavior, substance use, and incarceration or other legal consequences. Please attach all grant contracts/agreements, grant applications, etc. (draft acceptable). If grant application is over 10 pages, please provide a link to the full grant application:
