Describe your involvement in the community (Include civic clubs, volunteer activities, service organization, etc.)

I moved to LHC last year from Savannah, Georgia. While there, I was very involved in the community - I served on the board of our local United Way chapter and chaired the Marketing Committee for four years. I served on and chaired our Crime Stoppers board (like Havasu's Silent Witness). I also served on the board for EmployAbility which is an organization that helps provide job training and skills advancement for individuals with disabilities. At my prior job at a local TV station I was the Creative Services Director and managed all of our community involvement. This placed me as the primary liaison with our school district, food bank, tourism leadership council, and other not for profit organizations.

List additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board, Commission, Committee

I am a graduate of the Savannah Citizens Police Academy.

I spend most of my weekends attending events that we have in LHC. I regularly read the agendas and watch council and commission meetings to make sure I am plugged into what is going on in Lake Havasu.
