Civic/Community Activities (include civic clubs, volunteer activities, service organizations, etc.)

Volunteer with Civil Air Patrol, 501st Squadron, Lake Havasu City, AZ. Member of AOPA since 1991.

Why do you want to serve on the Board/Commission/Committee you applied for?

I want to make a difference. I would like to become more involved in the activities of the city in which I live and this is an area which I am familiar with and will be useful in.

List any additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board/Commission/Committee?

I am retired military, but semi-retired. As a chemical officer in the U.S. Army, my secondary job was always assistant operations officer. In addition, following two officers who failed to do so, I was able to establish an active flying club on Dugway Proving Ground, UT. During the course of its establishment, it was necessary for me to collaborate with several entities on and outside of the facility, such as Dugway Proving Ground Range Control and Hill Air Force Base Flight Operations. I also served for about a year through the EPA Region VIII, as an independent consultant/advisor to the Hazardous Substance Research Center South and Southwest. This, combined with my 25 years of experience as a private pilot, and earning a Master's degree in management with a concentration in administration, should qualify me to serve on the airport advisory board.
