2. To the fullest extent permitted by law, each Party (as "Indemnitor") agrees to indemnify, defend, and hold harmless the other Party and each officer, official, employee or agent thereof, for, from and against (as "Indemnatee") from and against any and all claims, losses, claims, damages, liabilities, costs, and expenses (including but not limited to, reasonable court costs, reasonable attorney's fees, costs of appellate proceedings, and costs of claim processing, investigation, and litigation) ("Claims") to which any such Indemnatee may become subject, under any theory of liability whatsoever to the extent that such claims are caused by the negligent acts, recklessness or intentional misconduct of Indemnitor, its officers, employees, agents, or any tier of subcontractor in connection with this MOU. This indemnification clause will survive the termination of this MOU. If a claim or claims by third parties become subject to this indemnity provision, the parties to this MOU shall expeditiously meet to discuss a common and mutual defense, including possible proportionate liability and payment of possible litigation expenses and damages.
