

An aerial photograph of a large stone arch bridge spanning a wide river. The bridge has multiple arches and carries a multi-lane road with several cars. On the left bank, there is a marina with several boats docked and a modern building with a glass facade. On the right bank, there are several large, multi-story buildings, possibly hotels or resorts, with parking lots full of cars. The background shows a vast body of water and distant hills under a clear sky.
