**FROM:** Bill Young

**RE: Dick Samp Parking Lot Project, B25-PW-SM604C-500563,  
Recommendation of Award to Pioneer Earth Movers, Inc.**

Upon receipt of all bids submitted for this project, a review of contract documents, references, contractor's license, and contractor's surety for the above-reference bidder was completed. The following information summarizes our findings:

Pioneer Earth Movers, Inc. has completed several projects listed in bid documents showing competency in completing a project like this and personnel involved were satisfied with work completed.

Pioneer Earth Movers, Inc. has a General Dual KA Engineering license along with a Specialty Dual CR57 Wrecking license which are the correct licenses for this work. Verification with the Registrar of Contractors found that their licenses are in good standing with no complaints against them.

Pioneer Earth Movers, Inc. maintains surety through Merchants National Bonding which is listed with the FMS US Treasury Department for underwriting ability in Arizona.

The budget for this project is \$140,000. The low bid plus force account came in at \$139,480.00. This falls within budget.

With these findings, I recommend that the Bid plus Force Account be awarded to Pioneer Earth Movers, Inc. in the amount of \$139,480.00

Respectfully,

Bill Young, Transportation & Maintenance Superintendent
