Describe your involvement in the community (Include civic clubs, volunteer activities, service organization, etc.)

I am a local business owner and active member of the Lake Havasu City community. Over the years, I have coached several seasons of youth soccer and have supported and donated to various local causes and community efforts. Most recently, I created and organized the Lake Havasu Splash Pad Initiative, a community group focused on bringing residents together to discuss family recreation opportunities and encourage positive civic engagement. Through this effort, I have worked to connect residents with city leadership, organize community meetings, and promote constructive conversations about the future of Lake Havasu City.

List additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board, Commission, Committee

As a business owner, I have developed strong communication, organization, leadership, and problem-solving skills. I regularly work with people from diverse backgrounds and understand the importance of listening, collaboration, and finding practical solutions. Through my recent community involvement, I have gained experience coordinating residents, communicating with city officials, organizing public meetings, and gathering community feedback. I am committed to approaching issues with an open mind, treating others respectfully, and working toward solutions that benefit the community as a whole.

Why do you want to serve on the Board, Commission, Committee you are applying for?

I would like to serve because I care deeply about the future of Lake Havasu City and believe parks, recreation, and community spaces play an important role in the quality of life for residents of all ages. As our community continues to grow, I would welcome the opportunity to learn more about the city's processes, contribute to thoughtful discussions, and help represent the interests of local families, residents, and community members. I believe positive collaboration and community involvement are essential to creating opportunities that benefit Lake Havasu both now and in the future.
