

**MEMORANDUM**

**TO:** Ron Foggin, Interim Public Works Director

**FROM:** Mike Wolfe, PE – Assistant City Engineer

**RE: Award Recommendation for REBID CITY CORE PAVEMENT REHABILITATION  
Project No. B24-PW-106013-500410**

**DATE:** February 9, 2024

I have recently performed a review of the contract documents, references, contractor's license, and contractor's surety for the above-referenced bidder. The following information summarizes my findings:

Pioneer Earth Movers, Incorporated listed several references work that has been performed in the past two years. All references were satisfactory with reports of good workmanship, good working relationships, completing work on time, and no cost overruns or change orders on the contractor's behalf.

Pioneer Earth Movers, Incorporated has a KA Dual Engineering license, which is the correct license for this work. I checked with the Registrar of Contractors and found that their license has no claims or cases filed against them.

Pioneer Earth Movers, Incorporated maintains surety through Merchants National Bonding Company, which is listed with the U.S. Department of Treasury, Bureau of the Fiscal Service.

The Bid Tabulation that is provided tabulated the Base Bid + Force Account for a grand total of \$1,462,816.00.

Engineers Cost Estimate:	Base Bid + Force Account \$ 6,143,500.00
Low Bid:	Base Bid + Force Account \$ 4,740,622.00
CIP Budgeted:	\$ 6,143,500.00

**With these findings, I recommend to the City Council that The Base Bid + Force Account for the Re-Bid City Core Pavement Rehabilitation Project No. B24-PW-106013-500410**  
be awarded to contract 500410 to Pioneer Earth Movers Incorporated in the amount of \$4,740,622.00.

---

Mike Wolfe, PE  
Assistant City Engineer
