Dear Property Owner

With this letter, Paradyme Investments and Selberg Associates Inc. are inviting you to an informational meeting regarding a proposed Rezone at 40 Retail Centre Blvd. The applicant is proposing a Rezone and Minor General Plan Amendment that will allow for a 2-story gymnasium building with an exterior pool, outdoor picket ball courts, and parking areas.

Exhibit "A" of this letter includes the parcel proposed for the Rezone and Minor General Plan Amendment.

Exhibit "B" of this letter includes a Conceptual Site Plan of the property.

The current zoning for the existing parcel at 40 Retail Centre Blvd is RMH Manufactured Home District. We are proposing the rezone for the subdivided parcel B1 to be zoned as C2 General Commercial.

The current general plan for the existing parcel is MDR Medium Density Residential. We are proposing the minor general plan amendment for the subdivided parcel B1 to be CMU Commercial Mixed Use.

Prior to submitting a Rezone request to the Lake Havasu City Planning Department, a letter of notice and invite to a public meeting about the project is required to be mailed to adjacent (300' radius) Property Owners.
