

COOPERATIVE PURCHASING AGREEMENT

Mohave County Job Order Contract (“JOC”) No. 20PS19-04

This Cooperative Purchasing Agreement (“Agreement”) is made and entered into by and between Lake Havasu City, Arizona, a municipal corporation, (“City”) and Perco Rock, a Utah Corporation (“Contractor”), each individually referenced as the “Party” and collectively referenced as the “Parties.” The Parties agree as follows:

1. Contractor contracted with Mohave County to provide earthworks and channel maintenance under Job Order Contract (“JOC”) No. 20PS19-04 (“Cooperative Purchasing Contract”). Under A.R.S. §§ 41-2631, *et seq.* and Lake Havasu City Code § 3.10.010.3(A)(1), City may utilize cooperative purchasing contracts and engage contractors under the same terms without additional competitive process.

2. Scope of Work.

2.1 Contractor agrees to perform projects related to London Bridgewater Channel dredging and maintenance, emergency wash bank stabilization, and other wash maintenance as described in the Cooperative Purchasing Contract documents attached as **Exhibit A** and incorporated herein by reference. As used in this Agreement, all references to Mohave County shall mean Lake Havasu City, Arizona.

2.2 Contractor agrees to comply with all specific requirements and options of City, as specified in the attached **Exhibit B** incorporated herein by reference.

2.3 The maximum amount of an individual job order issued under this Agreement will be \$1,000,000 pursuant to A.R.S. § 34-605(F)(1).

2.4 The City Manager approves individual job orders up to \$50,000. The City Council awards individual job orders greater than \$50,000.

2.5 Job Orders: During the term of this Agreement, work will be performed through issuance of individual job orders. Each job order, initiated by the City, is defined cooperatively by the City and Contractor. Scope, schedule, price, issuance of bonds, and amount of liquidated damages (if applicable) are agreed upon in an executed Job Order Proposal prior to proceeding with the work. Job Order Proposals that contain unauthorized exceptions, conditions, limitations, or provisions in conflict with the terms of this Agreement or the City’s project-specific requirements, are hereby expressly declared null and void and shall be of no force and effect.

2.6 Ceiling Price: The City will take appropriate care to ensure the Contractor is controlling cost and labor efficiently, both while reviewing individual Job Order Proposals and when inspecting job sites. Each individual Job Order Proposal shall include a “Guaranteed Maximum Price (GMP)” that the Contractor cannot exceed without prior written approval.

2.7 Work Initiation. Work shall be performed in accordance with the approved Job Order Proposal and shall not commence until a Notice to Proceed has been issued by the City.

3. Payment. Total contract price to be paid under this Agreement is contingent upon funds being appropriated or budgeted for each Fiscal Year. Payment to the Contractor for the services, materials and/or equipment provided, shall be made in accordance with the price list, Job Order Proposal, terms set forth in the Cooperative Purchasing Contract and per purchase order.

4. Terms of Cooperative Purchasing Contract Apply. All provisions of the Cooperative Purchasing Contract documents, including any amendments, are incorporated in and shall apply to this Agreement as though fully set forth herein, except as otherwise provided for in this Agreement.

5. Agreement Term and Renewal. If funds for this Agreement are not appropriated or budgeted annually, City may terminate this Agreement by giving written notice to Contractor. Otherwise, the term of this Agreement shall commence upon approval and continue through May 2, 2023 with an option of the City to renew for three (3) additional one (1) year terms. If this Agreement is renewed, the Agreement Rate Schedule shall be adjusted as provided for in the Cooperative Purchasing Contract. The City Manager is authorized to approve a renewal amendment provided that the Agreement amendment is 5% or less of the Agreement amount and not more than \$50,000 for all Agreement amendments approved for the Agreement. The City Purchasing Representative is authorized to approval a renewal amendment provided that: (1) the original prices remain in effect during the Renewal Term; or (2) the contract unit pricing does not increase, or the contract pricing is adjusted under the terms and conditions of the Cooperative Purchasing Contract. Any renewal shall be contingent on funds being appropriated or budgeted for the renewal term.

6. Certificates of Insurance. All insurance provisions of the Cooperative Purchasing Contract shall apply, including without limitation, the requirement to name the City as an additional insured. Prior to commencing work under this Agreement, Contractor shall furnish the City with Certificates of Insurance, or formal endorsements as required by the Agreement, issued by the Contractor's insurer as evidence that policies providing the required coverages, conditions and limits required by the Cooperative Purchasing Contract are in full force and effect.
