Civic/Community Activities (include civic clubs, volunteer activities, service organizations, etc.)

I am an active volunteer and member of leadership at Inspire the Church.

I have volunteered for many running races and triathlons, including RAGNAR events and the HITS Triathlon in Lake Havasu City.

Why do you want to serve on the Board/Commission/Committee you applied for?

My family and I vacationed in Lake Havasu City for over 6 years before making the permanent move here in January, 2016. I have a vast educational and career background in the hospitality and service industries. Professionally, I chose to leave that career field for more stability and time with my family. However, I miss contributing to the hospitality industry, and would love the opportunity to serve my community through offering my knowledge, experience and hard work to support the continued growth of Lake Havasu City's recreational assets!

List any additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board/Commission/Committee?

I earned a Bachelor of Business Administration degree with an emphasis in Meetings and Destination Management. I worked directly in the hospitality industry for 10 years. I led teams, projects, conferences, etc., in such a manner that I was often used as the example to others, and often trained newcomers in all areas of the hospitality industry.

As a Management Analyst, I focus on performance improvement projects for Indian Health Services. In this role, I lead multi-functional teams through projects designed to identify areas needing improvement. I am responsible for understanding the scope of the project, forming a suitable team to address the project, lead the team throughout the process improvement project, provide status briefings to leadership, create and present training plans to pertinent personnel, and monitor the project to ensure all goals were attained.

These experiences combined with the fact that I don't have a problem getting my hands dirty make me the ideal candidate for the Parks and Recreation Advisory Board.
