Dear Property Owner,

I'm mailing you to inform you that I will be holding a citizens meeting to discuss my clients proposal for a zoning change. They have an application into city to change the current zoning of their property located at 2050 Kiowa Blvd. from C-2PD to C-2. We are holding a meeting at the Brooks-Clark Real Estate Office on Tuesday September 6 at 9:30AM. I would be happy to answer any questions regarding this matter at that time.

Thank you,

Amber Cheramy-Lyon

If your property is currently listed with a real estate broker, please disregard. It is not our intention to solicit the offerings of other real estate brokers. We are happy to work with them and cooperate fully.

Stuart

I had 3 people come to my meeting for Zoning change. Their names are David & Laura Harvey and they own 2086 Sandwood Dr Units 101-103. And also a tenant of theirs Linda Nielsen. We discussed the zoning change and use changes. They were fine with the change and appreciate how the pd was making it more difficult to develop the property and sell it. They said that they will come speak with you Stuart with any more specific zoning questions if they had them. Is there anything further you need from me to process this change?

Thank you,

Amber Cheramy-Lyon
