

The Dixie Belle plans on weekdays doing a one hour tour a day around the Island with a historical narrative being played about the history of Lake Havasu including the London Bridge and some of the noteworthy sites along the way like the lighthouses etc. On weekends we will do 2 one hour tours.

The boat will also be available to rent for weddings, anniversaries and Birthdays so the times of those occasions will vary.

On Saturday nights we plan on doing a 3 hour dinner cruise.
