List additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board/Commission/Committee

I am an outdoor enthusiast enjoying all outdoor activities including boating, kayaking, off-roading, bicycling and hiking and am familiar with the facilities and trails in Lake Havasu available to accommodate such recreational interests. As a member of the Lake Havasu Paddlers group that advocated for adaptations at Rotary Park to accommodate handicapped paddlers, I attended several meeting of the Parks and Recreation Advisory Board meetings.

Why do you want to serve on the Board/Commission/Committee you are applying for?

I plan to spend the rest of my life in Lake Havasu so have a vested interest in the city not only maintaining present facilities but also hope to assist in development of new recreation opportunities for all to enjoy. For instance I would like to see more bicycle lane or trails on our streets and a southern non-motorized launch area. Rotary Park is a great alternative for launching but does not allow dogs. Many paddlers, including myself, love to take their pets along kayaking. Litter found on the north side of the island, at Body Beach, on our roadways and in the desert detract from the beauty of the area and I would like to help to come up with solutions to mitigate the dumping and littering problem.
