Re: Modification to our existing Conditional Use Permit

Sirs:

Attached is a completed Conditional Use Permit Application per your request. We would like to modify our existing permit as follows:

1. Add an Island Water Park barge floating structure located off shore approximately 100 ft. This structure will be used by customers similar to the one used at the Nautical Beach Resort during the summer months.
2. Add a on site food truck located within the existing property boundaries just west and north of the existing rental facility.
3. Allow usage of the property on an annual basis

If there are any questions please feel free to contact the undersigned.

Sincerely
