Dear Chief Doyle,

The Department of Veterans Affairs (VA) requires Veterans Affairs Police Departments to maintain current written support agreements with all local law enforcement agencies.

All Community Based Outpatient Clinic (CBOC) facilities under the control or ownership of the Department of Veterans Affairs, Prescott VA Medical Center, including the Lake Havasu Outpatient Clinic at 2035 Mesquite Avenue #D, Lake Havasu City, AZ. 86403, are under proprietary jurisdiction. This jurisdiction grants local civil police agencies full rights to exercise law enforcement functions on VA property.

Although our VA Police Officers are highly trained and experienced meeting most disturbances and other related police functions without the need for civil intervention or assistance, we currently do not staff our Lake Havasu CBOC with VA Police Officers. Therefore, it is necessary that the VA relies on your agency for specific law enforcement needs. These needs would include, but may not be limited to the following situations when your department's assistance would be requested:

- a. Any panic or intrusion alarm activation from the Lake Havasu Outpatient Clinic.
- b. Crimes requiring a police response including but not limited to, assaults, disturbances, robberies, etc.

Should any VA Police Officer, while on duty at the Lake Havasu Outpatient Clinic, be involved in a shooting, the FBI will be notified immediately. If the FBI response is delayed, this agreement establishes inter-agency support for the VA Police to receive assistance from the Lake Havasu Police Department for establishing, preserving, and controlling the crime scene, until relieved by the lead investigative Federal Agency.

Please sign both copies as indicated below if you concur with this support agreement (retaining one copy for your files and returning the second copy to us).

Should you have any questions or concerns regarding this matter or any issue, please feel free to contact me at (928) 717-7484.

We look forward to maintaining a close and professional working relationship with your department.

Sincerely,

Brian E. Schuman, Chief
Veterans Affairs Police

I concur with this agreement:

Dan Doyle, Chief
Lake Havasu Police Department
