2005

*** A resume may be attached to show additional education and work experience.*

Civic/Community activities (include civic clubs, volunteer activities, service organization, etc.)

I donate where I can and plan to invest more of my time as soon as I am able.

List additional qualifications or experience you believe qualifies you to be on a Lake Havasu City Board/Commission/Committee

1. I focus on strictly commercial real estate here in Havasu. Our company is not only responsible for the sale and lease of space, but we are responsible for managing over 500,000 sqft of property. That's full-service management from collecting rents, monthly financials and accounting, enforcing rules and regulations, ensuring high occupancy rates, reinvesting in the asset, and basically everything else required to ensure the asset produces income and is properly maintained to appreciate in value over time. I can use the same management principals to help ensure choices made regarding the future of the airport are feasible and in the best interest of the its long-term health.

2. You could say, Airports are the family business. One example being Mammoth Yosemite Airport where my parent's company Hot Creek Aviation has helped create an awesome thriving culture that produces. This is useful for tricky, major, or problem-solving decisions. I can tap resources that have a wealth of knowledge to help provide prospective to issues or opportunities that arise, so the board can make the best and most informed decisions possible.

Why do you want to serve on the Board/Commission/Committee you are applying for?

My grandfather was a pilot, my father is a pilot, and I would like to hopefully soon be a pilot myself. I want to join the board to better understand the inner workings of Havasu's airport and to do my part in taking care of the resource I hope to one day use.
