RE: Tax Parcel 114-20-094B & 114-20-094D to rezone to C2-PD

This Letter of Intent is to express our interest, as purchaser, to acquire the property above, as a rezoned C2-PD. The 2 parcels, listed above, will be part of our Phase II development of Boat & RV Storage.

Summerlin and its affiliates have been developing Boat & RV Storage since 2015 and have developed 3 projects along the Sweetwater corridor. This project will be Phase II of our development on the NW corner of Sweetwater and Osborn.
