COUNCIL COMMUNICATION

TO: Honorable Mayor and Council

FROM: Stuart Schmeling, Zoning Administrator

SUBJECT:
Approval of a Final Subdivision Plat for River Ranch Villas, a Re-plat of Tract 2376-A, Reducing the Number of Developable Lots From 32 to 23, Including Common Parcels for Swimming Pool and Guest Parking

FUNDING SOURCE:

PURPOSE:
To approve a Final Subdivision Plat for River Ranch Villas, being a re-plat of Tract 2376-A, reducing the number of developable lots from 32 to 23 and including common parcels for swimming pool and guest parking.

BACKGROUND:
River Ranch Villas is a multi-family development originally proposed in August of 2005 by a different ownership group. The development, a completely walled subdivision, included private streets with one access from Kearsage Drive and one from Outpost Drive. The lots were too small to accommodate two-story townhomes with one side setback of zero feet and the other at five feet. The new owner proposes a reduction in the number of lots allowing wider single-story homes with three feet side yard setbacks. The Final Plat is provided as an attachment.
