COUNCIL COMMUNICATION

TO: Honorable Mayor and Council
FROM: Dustin Salisbury, Project Manager

SUBJECT:

Award Agreement for Professional Services (Design) for the Avalon Drain #2 Stabilization Improvements to Kimley-Horn & Associates, Inc. (*Dustin Salisbury*)

FUNDING SOURCE:

CIP-Flood Control

PURPOSE:

Award Agreement for Professional Services (Design) for the Avalon Drain #2 Stabilization Improvements in accordance with City Code Section 3.10.040. (Project No. DR1020)

BACKGROUND:

In September of 2015, an analysis and risk ranking was conducted of the washes in Lake Havasu City. Each wash was ranked according to risk of slope failure. Avalon Drain #2 was ranked the third highest risk and is next in line for improvement.

Staff has negotiated a fee of \$149,945 with Kimley-Horn & Associates, Inc. for processional services, which we feel is fair and reasonable.

COMMUNITY IMPACT:

This project will provide the design of critical bank repair and slope stabilization improvements to Avalon Drain between Avalon Avenue and Angler Drive.

FISCAL IMPACT:

Sufficient funds are available in the Flood Control Fund as part of the Capital Improvement Plan for Avalon Drain DR1020 (Account # 526-4110-421.6202).
