The subject property is a City-owned parcel that is home to a sewer lift station. The property abuts The Coves at Sailing Hawks subdivision that is under construction. The developer/HOA is fully responsible for all future maintenance of landscaping, irrigation, and

block wall placed on the dedicated easement.

The Lake Havasu City Public Works Department participated in the review and approval of the dedication of the proposed easement.

COMMUNITY IMPACT:

FISCAL IMPACT:

Improvements to property will likely increase the assessed valuation of the new subdivision, and the City will receive additional property tax revenue.
