Award Agreement for Professional Services (Construction Management) for the Airport Electric Vault Project in accordance with City Code Section 3.10.040. (Project No. AP1480) (FAA AIP No. 3-04-0071-026)

BACKGROUND:

In April of 2016, staff performed a consultant selection process to obtain Airport Engineering and Architectural services. The selection process used by staff was a qualifications based process, which required response to an RFQ. C&S Engineers was chosen by the selection committee to provide engineering and architectural services to the City.

Staff has negotiated a fee of \$58,041.25 with C&S Engineers for Construction Management Services, which we feel is fair and reasonable.
