COUNCIL COMMUNICATION

TO: Honorable Mayor and Council

FROM: Jonathan Baskette, I.T Manager
Kelly Williams, City Clerk

SUBJECT:

Approve Master Subscription Agreement for Legislative Management Suite and VoteCast Meeting Efficiency Suite with Granicus

FUNDING SOURCE:

General Fund

PURPOSE:

To approve the Master Subscription Agreement for products and services with Granicus.

BACKGROUND:

The City has been using Granicus software since 2009. In FY 2013-14, the City initiated a Granicus Services Agreement (Agreement) with Granicus for the Legislative Management Suite and VoteCast Meeting Efficiency Suite to provide a complete and automated agenda and meeting workflow solution while also offering a central and searchable public portal for citizens and staff. This Agreement was for one year with two additional annual renewals. The term of the Agreement commenced on January 23, 2018; therefore, the attached new Agreement effective January 23, 2018, will continue the City's current products and services for one year with two additional annual renewals.

COMMUNITY IMPACT:

Providing public access to public meetings and video, information, and electronic voting, while also delivering a paperless agenda and minutes management system allows the City to be more efficient and transparent.

FISCAL IMPACT:

Funds for this agreement are appropriated in account #110-1620-401-33-12.

SUGGESTED MOTION:

I move to approve the Master Subscription Agreement with Granicus for one year with two additional annual renewals.
